

Learn to Dive Package

7 nights' luxury accommodation for two people. 1 PADI dive course each. This includes theory, pool dives in our own pool and four ocean dives in the tepid waters of the South Pacific Ocean. At the end of the course you will walk away with full PADI dive certification. Also included is a one hour relaxing massage per person.

On the outskirts of Port Vila and situated in one of the newest and most opulent areas of Vanuatu, Villa 25 is nestled in the private gated community of Dream Cove right on the water's edge.

The infinity pool is the perfect setting for the pool component of the dive course run by the very highly regarded Big Blue

get to swim with the resident dugong or giant turtles in our bay. With water temps sitting between 25 and 30 degrees it's the perfect place to learn to dive!

The course itself generally takes 3 half days that we tailor to suit you – not the other way around. There is lots of time in between, or after, to do more diving or take in the other sights of Vanuatu... or enjoy your well deserved massage.
